Subject: RE: [REDACTED] case?

Sonja – I am so sorry for the confusion – I misspoke to Joe Yorlano. Yes, we have the [REDACTED] case on for 11/30. I also have the [REDACTED] case on that day, but with Rebecca Pontes as the chemist. When I was speaking with Joe, I mixed up the chemists on the cases. Long story short, please disregard any reference to [REDACTED]

As for [REDACTED] the defense attorney is bringing this case forward today and attempting to plea on the marijuana charge. If that happens, obviously I will email you and cancel you for trial. Or would you prefer that I call you on your cell? I don't believe I have your cell number, but I'd be happy to do it that way if you prefer.

Thank you!
Rachael

Subject: FW: [REDACTED] case?

Rachael-

I received this email from Joe Yorlano yesterday indicating that the [REDACTED] scheduled for Monday, 11-30, is now only a conference, so I don't need to testify that day. However, he also mentioned something about a [REDACTED] (sp) case on the same day with Rachael Eramo". I thought that I had the [REDACTED] case on 11-30, and I haven't been informed of any [REDACTED] case as of yet. Anything I should know? Thanks.

Sonja

Sonja,

I just wanted to tell you that the [REDACTED] trial, where you have been summonsed to testify on 11/30, has been converted to a conference so you don't have to testify that day. I believe you may have a [REDACTED] case on the same day with Rachael Eramo, so we still need you in Pittsfield on 11/30 but again don't worry about [REDACTED] on that date. Thank you. Any questions send me an e-mail or give me a call.

Joe Yorlano
